Commander Kevin O'Neill:

Wishing everyone a Happy and Healthy New Year. Our Post is thankful and blessed with the opportunities to provide assistance to our fellow Veterans. Last year we provided over \$10,000 in assistance to needy veterans and their families. We provided \$5,000 in college scholarships to graduating High School seniors. Our Community services included serving over 90 people Breakfasts every Sunday for a nominal fee as well as two poppies sales that produced over \$2,000 for our Veterans Relief fund. Our monthly meetings include Briefing on COVID and techniques used by scammers. This year we will also have a briefing on how to prepare VA death benefits paperwork.

We still have much to do so I invite you to revisit our Post and be part of making a difference to our fellow veterans and our community.

Chaplain John Dowd:

Hello Comrades,
I am your Post Chaplain. I do memorials, flag presentations, and refer veterans and their families for mental health services, financial assistance and other resources.

I have received training and hold certificates from the Department of Veterans Affairs and Community Clergy Training programs.

If anyone, whether a veteran or a family member, has a need to contact me for any reason, please feel free. I am here to help. God Bless.
